- ❖ Cut Balmy Blue 4 ¼ x 5 ½. Score on the 4 ¼ side at 2 ¼. Fold on score line
- ❖ Cut Balmy Blue 5 ½ x 7 ½. Score on the 7 ½ side at 3 ¾. Fold on score line.
- ❖ Cut Balmy Blue 1" x 3 ¾" for the middle bar. Punch Balmy Blue with Decorative circle punch or any punch/die around 2" round. Dry emboss these two pieces with the wintry 3D embossing folder as shown.
- ❖ Cut Snowflake Specialty Vellum 2 x 5 ¼.
- ❖ Cut Thick Basic White 2 ¾ x 4 ¼. Adhere top edge of the white to the narrower panel of the folded 4 ¼ x 5 ½ Balmy Blue – aligning at the edge of the fold and centered, so the top wider panel folds flat.
- ❖ Punch a rectangular shape 1 3/8 x 2 (Pictured is the Postage Stamp punch) out of Basic White CS. Use for sentiment, inking with Balmy Blue
- ❖ Attach the sentiment to either the inside at an angle as shown, or you can attach the top right corner to the round layer.
- ❖ Attach the Wonderful Snowflake to the round Balmy Blue CS using a dimensional in the center of the snowflake.
- ❖ Attach a fluffy white bow to the center (option: color white trim with Balmy Blue blends, or consider mixing white and Balmy Blue)
- ❖ Take the Balmy Blue 5 ½ x 7 ½ fold and adhere the Balmy Blue 1 x 3 3/4 to the center. Use Tear n Tape on the sides to seal.
- ❖ Take assembled Balmy Blue 4 ¼ x 5 ½ and slide the Basic White into the pocket created on the Balmy Blue 5 ½ x 7 ½
